**Above & Beyond**

In 1901 Emma Kusile Divine, a 17 year old Salvation Army volunteer, discovered that the busy people in the streets of New York were painfully slow in responding to the needy. What could one teenage girl do to reach so many? Emma bought a small bell and started ringing it to attract donors. The donations rolled in and soon the entire Salvation Army was ringing little bells across the nation.

Do you have a cause? If so, find your bell and ring it. Let no one tell you that the problems of the world are too big to tackle, or that one person like you can't make a difference.

Don Zales

The power of recognition is one of the strongest forces for stimulating human and social action.

# INFORMATION | RETURNS AND CUSTOM ORDERS

## RETURNS AND CUSTOM ORDERS

We realize that there are times when you may need to return merchandise for one reason or another. Russell-Hampton has always had a very liberal return policy.

We are requesting that upon receipt of any order from us, you open the package as quickly as possible. Check the entire package for any problems, as you remove the packing please be aware there may be smaller items included in the wrapping. They will usually be in a small manila envelope. **(Sometimes that envelope is taped to the inside of the box.)** We have had some customers inadvertently throw that merchandise away with the paper or box.

When removing items from the box, please check for breakage, wrong items, or other errors. Compare the merchandise with the descriptions given on the packing list included in the box. When engraving is included, please check the copy for spelling errors or wrong dates. If there are any problems, please contact us immediately. **All merchandise being returned for credit or exchange must be done within 90 days of receipt.** If the items are returned after that date there will be a 10% restocking fee deducted from your credit or billed to your account.

If there was no error made by Russell-Hampton Co. on the shipment (IE you ordered the wrong pin size), then you or your club will be responsible for all shipping and handling charges. This includes orders being refused at the time of delivery. These charges will **not** be credited to your account, but you will be given credit for the merchandise if we receive it in good condition.

**Note: There are no returns on any custom items.** This includes any items with a custom imprint or special order. These are shipped to you as a final sale. Before any custom work is completed, you will receive a final proof. To expedite this process, please give the customer service rep a valid fax number or email address. When you receive the proof and fax it back to the customer service rep's attention. **If you approve a proof and we produce the item per your proof, you will be responsible for that item even if you notice an error upon receipt of that item.**

Authorization for return must be received by contacting one of the customer service reps. It is always our goal to treat our customer with fairness and good service. For immediate response to any problems, please contact us.
